## GRAIN BARREL 9

Our Grain Barrel 9 is formed using a maple tool that features vertical wood grain, a traditional technique of wooden barrel construction. Simple in shape and visually light, the deep draw of the sides reflect light and illuminate the subtle wood grain pattern imparted on the metal shade during spinning. Paired with a glass socket, the Grain Barrel 9 provides a nice upward highlight as well.

### DIMENSIONS

9.5" x 9.5" x 13"

### DROP HEIGHT

6' Cloth-Covered Cord Standard

### BULB SPECS

E26 G25 LED 5W Frosted Included  
JA8 Compliant

### CERTIFICATION

UL  
CE Listed Upon Request

### VOLTAGE

120v/220v

### COLORWAYS

White & Aluminum  
Black & Brass

### LUMENS

480 Standard

### DIMMABILITY

CL / Reverse Phase Dimmer  
Recommended Lutron Models:  
MACL-153M Maestro  
DVCL-153P Diva  
SCL-153P Skylark
